

**Coming of Yeshua:** As we come to this time of the year, we want to celebrate with you the coming of Yeshua as our Messiah and redeemer. May Adonai Elohim Tzva'ot, the Lord God of Hosts bless you and keep you and grant you an abundance of His Shalom (Peace) in the days ahead.

As we close out the year, we are reminded at what ADONAI God has done through your prayers and your giving. We have reported throughout the year, in our newsletter, about lives that have been changed with a new life in Yeshua, Jesus Christ. Thank you for making this possible.

In this newsletter we want to take time to share thank you notes from the men you are helping, whose lives are being changed by Yeshua.

I will begin with Igor, our men's shelter director. Keep us in your prayers as Igor has just resigned as director of the men's shelter. We will be looking for another director.

**Igor:** *"Dear brothers and sisters, with great gratitude I appeal to you. You are people who care about the fate of people who die from alcohol and drugs. We work with these people and feel your concern for us. Your prayers and finances make it possible for addicts and homeless people to have a home, food, an opportunity to be treated and learn. Through your care these people have the opportunity to know about God's love and salvation through Jesus Christ, Yeshua Messiah. Especially important is your prayers and help for Israel and it's people. Thank you and blessings to you!"*

**As we come to a new year, we ask you to consider how you can help us with additional supporters for this ministry. We have had more people stop their donations than we have had as new donors. One way you can help is to ask for some brochures to share with others you might know has an a love and desire to help Israel and her people. Indicate on the back of the response form how many brochures you would like to have.**
