

As we come into this time of the year, Thanksgiving, it is a privilege to bring you this Newsletter. *A Newsletter of thanks to you our donors.*

You are the ones, in obedience to the Lord's direction in your lives, bring prayer and financial gifts that not just make it possible for this work to take place—but provide the ability to see lives changed by the power of the Gospel, In Yeshua Hamashiach, Jesus the Messiah.

This is an opportunity for so many whose lives you touch to say thank you. Please accept our sincere thanks for your support. As you will read in the thank you note from Gene, our director in Israel, this work does not happen without opposition.

Please keep our efforts to establish the women's shelter in your prayers. Purchasing property in Israel takes time. There are two things that can impede this kind of ministry. One you hear about in our country, "Not in my back yard." But the second thing that impedes in even greater measure in Israel is a "Christian or Messianic Ministry.

In the city where we are purchasing property, the Mayor has asked for documentation from us. Our attorneys are working on this request. He potentially has the power to keep us from moving forward. Your prayers are needed.

The following thank you letters are from the men's Recovery Director and from two of the men.

Dear brothers and sisters, please receive my thanks from the bottom of my heart for your help in what you give in prayer and finances to our ministry, Tent of Abraham. Through your help we have the opportunity to serve those who need salvation from their sins which can only be given by God. Thank You! Thanks to God! Serge, Director

Thank you very much brothers and sisters for your prayers for us and for your donations and also for the house, Tent of Abraham, the place of reuniting me with God and for your understanding. Brother Anton

Dear bothers and sisters, I thank God for you. Thank you very much for your participation in my life through your prayers and your support. I thank God for the fact that there are people on earth who hear Him and do His will. God bless you for your good deeds. Brother Peter.

Men in recovery, baptized in the Jordan River

The following thanks you letters are from Gene, our director in Israel and Tom our board president in Israel.

Dear brothers and sisters! Looking back on all the years we have served the poor and needy, we see how Great and Merciful is our God. As was promised to Israel while in exile, God Almighty would give us the early and later rains in the Promises Land, not like we had in Egypt. That dependence we feel and understand in the nation today and also, we understand it in our ministry here with the poor and needy. God Almighty gives us the privilege to serve these dear souls because of your constant help, both in prayer and financial gifts.

Your care has allowed us to establish the men's recovery program, various feeding programs, and purchase a van. This year it allowed to us buy property on which we will build a facility for women, which was on my heart all this time. In spite of difficulties we have faced, (strong opposition of our faith, bureaucratic barriers, domestic persecutions) we have moved forward together by God's Spirit, Praise The Lord!

Thank you again for your love and compassionate heart. We are one God's family! May God Bless You! Executive director, Ohel(Tent of) Abraham, ministry arm of Rescue in Israel, Genady(Gene) Michaely

To all those who love Israel:

On behalf of the board of Tent of Abraham, I would like to thank you for your generous gifts for this ministry. Besides the physical aid in feeding the homeless and bringing help to the needy, week by week those who are living on the streets hear the gospel of redemption! Many of them leave the streets and go into programs throughout the country. So many have been transformed by God's grace and have been able to return to their families and become faithful members of their congregations! They are now worshipping and serving the God of Abraham, Isaac and Jacob through Jesus the Messiah of Israel. Your faithful prayers for the salvation of Israel and your freewill offerings enable and uphold us to continue doing this important work. May the Lord bless you richly as he promised to all those who bless the descendants of Abraham: "Those who bless you, I will bless. Thank you again for your faithful love, support and prayer for the redemption of His people!
In Messiah's love, Tom Jamison

Expressions of thanks from Rescue In Israel (U. S.) board members,

You will never know the depth of our appreciation for your prayers and financial support. I have always had a compassion for those whose lives have been devastated by addictions and sin. To see the work of Rescue In Israel in addressing these problems in the lives of men in God's homeland is a true blessing. To see Jew and Muslim alike transformed by the power of God's love through Jesus in Israel is a true miracle. That unity and transformation would not happen without you. The challenge is to now complete the restoration facility for women in Israel. This challenge is great and your support is valued more than ever. We appreciate and value all that you do and pray for God to continue to bless and protect you and yours in this ever changing world.
Blessings, Jim

I have watched God work miraculously through the Donors of Rescue In Israel. I met Gene many years ago when he came for training in the US. Rescue In Israel was a step of faith, each step is a step of faith. Now to see that faith expanding to the beginning of the Women's program. Oh, what a MIGHTY God we have. He has touched your hearts, and we thank you and appreciate your support. Blessings, Marla Van

Dear faithful donors to RESCUE in Israel: It has been encouraging to me to see so many who understand the need for Yeshua in the hearts of the lost in Israel. The cure for both man's sinful heart and the evils of society rests in Jesus Christ and His saving Gospel. Please continue to work with us to share the Good News found only in Him. --Dick Baranzini, Board President

P.S. "Lay up for yourselves treasures in heaven." (Matt 6:20) Only eternity will reveal the true treasures brought forth by your prayers and your financial gifts. May these later months of 2019 be rich in blessings in your lives and your family. "The Lord bless and keep you. The Lord cause His face to shine on you and be gracious to you. The Lord lift up His countenance on you and give you peace (Shalom)." Numbers 6:24-26
