

# We celebrate Yeshua (Jesus) our Messiah, for in Him we find

# HOPE

*“Now there were shepherds in the same region, living out in the fields.... Suddenly an angel of ADOANI stood before them, and the glory of ADONAI shone all around them.... the angel said to them ‘do not be afraid! For behold, I proclaim Good News to you.... A Savior is born to you today in the city of David, who is Messiah the Lord.”* Luke 2:8-11

As we come down to the final month of another year, 2019, we look back with thanks and praise to the Lord God Almighty. He has blessed the labor of this ministry in the lives of men taken off the streets of Israel and redeemed by Yeshua the Messiah, Jesus Christ.

**Your prayers and your financial gifts have brought HOPE to these men and their families.**

You have helped bring them out of their homelessness and addiction to find HOPE in Yeshua the Messiah. For many, they have been reunited with their families and for all of them to return to society able to make a difference in the land of Israel and to know that HOPE that promises an eternity with their Messiah.

Below are but a few pictures of the men and some of their families you have helped and blessed over the past couple of years.

The last picture on the bottom right below is Roman and his testimony is posted below.

Shalom

*In this letter I want to thank you for the chance that I have been given to recover from my addiction and to rebuild my life.*

*Thanks to you, your donations and the care you give to us, I have received this grace. Before I arrived here, I was walking in the valley of death, endangering myself and those who surround me.*

*Now as I look back to the past, after being here for 5 weeks and with a clearer mind and soul, I can acknowledge the great miracle that has happened to me.*

Roman

Keep Roman in your prayers as he has begun a new journey of life. Further, as we consider our world and the events taking place, we always keep Israel and her people in our hearts and prayers.
